ORDER IN COUNCIL, MARCH 1, 1864.

At the Court at *Windsor*, the 1st day of March, 1864.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS by the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine, Her Majesty was empowered to avail herself of the services of a certain number of Officers of the Merchant Service of the United Kingdom, and of the Colonies and Dependencies of Great Britain, as Officers of Reserve to the Royal Navy; and whereas certain Regulations have been made under the said Act, and in pursuance of the said Act and of the said Regulations made thereunder, a considerable number of such Officers have been enrolled as Officers of Reserve; and whereas by the Officers of Royal Naval Reserve Act, 1863, twenty-six and twenty-seven Victoria, chapter sixty-nine, it is enacted as follows, viz.:—

"1. It shall be lawful for Her Majesty to accept from time to time the offers of any persons who have been, are, or shall be Masters, Mates, or Engineers of Ships in the Merchant Service aforesaid, or of other British Ships not belonging to Her Majesty, or of any persons who have been Commissioned Officers, Masters, or Engineers in the Indian Naval Force of Her Majesty, or in the Naval Force of the East India Company, to serve as Officers of Reserve to the Royal Navy, upon such terms and conditions as to Her Majesty may from time to time seem fit.

"2. The Lord High Admiral, or the Commissioners for executing his office, hereinafter called the Admiralty, may enrol as Officers of Reserve to the Royal Navy so many of such persons as aforesaid as the Admiralty may from time to time deem expedient, under and subject to such rules, orders, and regulations as the Admiralty may, with the consent of Her Majesty in Council, from time to time establish; and such persons so enrolled shall bear such rank in respect to the Officers of the Royal Navy as the Admiralty may from time to time direct, and shall when called out for training or exercise, or on actual service, be subject to all the laws, regulations, and customs for the time being in force for the government and discipline of the Royal Navy.

"3. Such persons so enrolled as Officers of Reserve shall be entitled to receive such pay and allowances as the Admiralty, with the consent of Her Majesty in Council, may from time to time appoint; and if any such person is disabled or receives any hurt or wound in actual service, he shall be entitled to the same allowance or pension in respect thereof as an Officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances; and if any such person is killed in action, or dies from any wound or accident resulting from the performance of his duty, his widow (if any) shall be entitled to the same pension as the widow of an officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances.

"4. It shall be lawful for Her Majesty to continue the services of all persons who have been enrolled as Officers of Reserve to the Royal Navy before the passing of this Act, and the services of all such persons shall be deemed to be continued by Her Majesty as if this Act had not been passed, unless and until Her Majesty thinks fit to discontinue the same.

"5. All rules, orders, and regulations relating to persons enrolled as Officers of Reserve to the Royal Navy made before the passing of this Act by the Admiralty, with the consent of Her Majesty in Council, shall, with respect to all persons enrolled before the passing of this Act, continue in force as if this Act had not been passed, and shall also extend and apply, as far as may be (mutatis mutandis), to all persons so enrolled after the passing of this Act, but so that any rules, orders, and regulations made as aforesaid from time to time under this Act may repeal or alter all or any part of any rules, orders, and regulations made before the passing of this Act, and shall, unless otherwise expressed, extend and apply as well to persons so enrolled before the passing of this Act as to persons so enrolled after the passing of this Act.

"6. On the passing of this Act the Act of the Session of the twenty-fourth and twenty-fifth years of Her Majesty (chapter one hundred and twenty-nine), 'to enable Her Majesty to accept the services of Officers of the Merchant Service as Officers of Reserve to the Royal Navy,' shall be repealed; but this repeal shall not affect the past operation of the said Act, or the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder."

And whereas the Lords Commissioners of the Admiralty have submitted for the approval of Her Majesty the Regulations appended to this Order, as Regulations proper to be substituted for the Regulations hitherto in force under the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine:

Now, therefore, Her Majesty is pleased to direct that the said Regulations appended to this Order shall take effect from the date hereof.

ARTHUR HELPS.

Promotion.

Officers of the lower rank in the Active List will, if qualified, be eligible for promotion to the higher rank on that list, at the discretion of the Lords Commissioners of the Admiralty.

Officers who, when in actual service, may, by the character or length of their service, obtain the special approbation of the Lords Commissioners of the Admiralty, will be eligible to receive Commissions as Officers in the Royal Navy, of the same grade as that with which they may rank at the time. They will then be considered in all respects as Officers on the permanent strength of the Navy.

Officers who, whilst on actual service, shall have distinguished themselves in action with the enemy, or by the character and length of their services, will be eligible, at the conclusion of their service in the Navy, for promotion to the higher honorary ranks of Commander and Captain of the Naval Reserve, at the discretion of the Lords Commissioners of the Admiralty.

Officers of the Reserve who shall have displayed zeal in promoting the efficiency of the Reserve will be favourably considered for promotion, at the discretion of the Lords Commissioners of the Admiralty.

Retirement.

Officers who wish to retire from the Active List may do so at the discretion of the Lords Commissioners of the Admiralty, on consideration of their services; either

Commanders, Chief Engineers, Lieutenants, Sub-Lieutenants, and Engineers.—Instead of each stripe of half-inch lace round the sleeves of the coats, there is to be a stripe formed of two waved lines of quarter-inch gold braid, intersecting each other, so as to form bands half an inch wide, the blue cloth to show between the curves.

The Engineers' Department are to be distinguished by purple velvet stripes, quarter inch wide, between the gold braid waved lines round the sleeves of the coat.

Engineers who are only entitled to one waved line, the velvet stripe is to be worn below the gold braid on the sleeves of the coat.

Assistant Engineers, one waved stripe of purple velvet, quarter inch wide, round the sleeves of the coat above the cuff, without any gold braid.

The buttons to be of the Royal Navy pattern, with the letters "R.N.R." in Old English character, surmounted by a crown.

Instead of the anchor on the epaulettes and shoulder straps respectively, there is to be a badge consisting of a silver anchor in the centre, surrounded with the words "Royal Naval Reserve" embroidered in gold

Instead of the bullion loop on the cocked hats, the loop to be formed of two gold braids, twisted the same as for coat sleeves.

The badge for the caps to consist of a device similar to that on the epaulettes, embroidered on blue cloth and surmounted by a crown.

The plate for the sword-belt to be the same as for Officers of the Royal Navy, substituting the letters "R.N.R." for the anchor in the centre.

Drill.

Lieutenants and Sub-Lieutenants on the Active List of the Royal Naval Reserve will be required to undergo in each year a course of twenty-eight days' drill and gunnery instruction on board one of the District Drill Ships, or if absent from England above a year, and unable to take their drill on board a Drill Ship, they may perform it on board one of Her Majesty's ships abroad having a Gunnery Lieutenant.

But on a special report being made to the Lords Commissioners of the Admiralty by the Commander of such Drill or Gunnery Ship in the United Kingdom, or by the Captain of such ship abroad, to the effect that a Lieutenant or Sub-Lieutenant of the Reserve is competent to instruct and drill men of the Reserve, then such Lieutenant or Sub-Lieutenant will be required to undergo seven days' test drill each year, and if such test drill is performed to the satisfaction of the officer superintending the drill, the further twenty-one days will be dispensed with; but if the seven days' test drill is not satisfactory, the further twenty-one days' drill must be performed.

Messing.

Officers, whilst on drill, will live on shore, and receive the following subsistence allowance, viz.:—

Lieutenants . . . . 10*s.* a-day.
Sub-Lieutenants . . . 7*s.* a-day.

All Officers called out for service will mess with Officers of their respective ranks in the Royal Navy.

Discipline.

Officers will be subject to naval discipline when attending drill, and when called out for actual service; and will also at any time whilst belonging to the Reserve be liable to lose their Commissions for conduct unbecoming the character of Her Majesty's service, at the discretion of the Lords Commissioners of the Admiralty. They are expected to provide themselves with a copy of the Queen's Regulations and Admiralty Instructions.

Service Afloat.

Officers of the Royal Naval Reserve will be called out for actual service by Royal Proclamation; and they will be liable to serve during the continuance of any national emergency, or until they may be regularly discharged by the direction of the Lords Commissioners of the Admiralty.

Pay and Allowances, and Pensions to Widows.

Officers will, whilst called out for actual service receive the pay of their corresponding ranks in the Royal Navy.

Officers who may receive hurts or wounds whilst on active service in the Royal Navy, or whilst undergoing drill, will receive the same pensions or allowances to which Officers in the Navy would be entitled under similar circumstances.

AT THE COURT AT OSBORNE HOUSE, ISLE OF WIGHT, the 16th day of *February*, 1866.

PRESENT,

THE QUEEN'S MOST EXCELLENT MAJESTY IN COUNCIL.

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 14th day of February, 1866, in the words following, viz.:—

"Whereas by the fifth section of an Act passed in the thirty-sixth year of Your Majesty's reign, chapter eighty-four, entitled 'An Act to provide for the better government of Greenwich Hospital,' it is, amongst other things, enacted that it shall be lawful for Your Majesty in Council from time to time, by Order in Council, to appoint such pensions as they shall think fit to Officers of Your Majesty's Navy, for the time being entitled to the benefits of Greenwich Hospital, to be enjoyed by them so long only as they are not on the establishment, or inmates of Greenwich Hospital, but in addition to their half-pay, pension, or other allowance coming to them under any such Order in Council, and to determine the conditions on which such pensions are to be granted; and whereas we are of opinion that it would be expedient to award the pensions hereinafter mentioned to officers of Her Majesty's Navy, such pensions to be called 'Greenwich Hospital Pensions,' and to be paid out of Greenwich Hospital Funds. We do, therefore, beg leave to recommend that Your Majesty may be graciously pleased by Your Order in Council to sanction the following pensions being granted:—

"Ten pensions of £150 a-year each to Flag Officers, to be selected from the Active List, six only of these to be promoted at present, and the remaining four as vacancies may occur amongst the four Flag Officers of Greenwich Hospital; these ten Flag Officers to have the privilege of rising in half-pay, as well as in rank, to that of full Admiral; such pensions not to be held in addition to 'Good Service' pensions.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

REGULATIONS RESPECTING FOREIGN ORDERS.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through the Minister accredited at the Court of Her Majesty.

If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of the service.

4. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on

Digitized by Google

British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 1 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British subject unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

MEMORANDUM.

The sentence of a Court-Martial, placing an Officer at the bottom of the list of his rank, involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full and Half-Pay, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the Full and Half-Pay depend upon actual service.

ENTRY AND EXAMINATION OF OFFICERS.

CIRCULAR, No. 3.—C.

(*Circular of 3rd August, 1869, No. 46, revised.*)

Admiralty, 6th January, 1870.

REGULATIONS RESPECTING NAVAL CADETS AND MIDSHIPMEN.

The Lords Commissioners of the Admiralty having decided—

(1) To increase the time during which naval cadets will be under training, part of such time being spent in sea-going training ships, and the whole period being considered one of probation ;

(2) To introduce the system of limited competition for naval cadetships ; and

(3) Still further to reduce the number of naval cadets annually entered ;

have been pleased to make the following regulations :—

1. The examinations for naval cadetships will be held annually under the direction of the Admiralty Director of Naval Education, on the third Wednesday in June, and on the 15th Wednesday in November, but the appointments, as from Wednesday in November, but the appointments, as from Wednesday in November, but the appointments, as from

No marks amounting to less than one-sixth in a voluntary subject will be counted towards the total.

9. A candidate who obtains the number of marks prescribed for passing, but who may not be successful in the competition, will be allowed to compete once again at the next examination without undergoing a fresh medical examination, although he may then be over-age; but no candidate will be allowed to compete more than twice.

10. Any candidate who fails to appear at the next examination after he has obtained a nomination will not be allowed to present himself without a fresh nomination, except in the case of illness, certified by a physician or surgeon, approved by their Lordships, in which latter case non-appearance will have the effect of unsuccessful competition, entitling the candidate to present himself at the following examination only.

11. Every flag officer (except an admiral superintendent of a dockyard), on hoisting his flag will be allowed . 3 competitive nominations.
Every commodore of the first class . . . . . 2 " "
Every captain appointed to the command of a ship of whatever class (except captains of stationary ships, captains superintendent of dockyards, or victualling yards, and the captain of the yacht) . . . . . 1 " "

but no officer will be allowed to exercise this right a second time within three years; and no captain appointed to a ship during her commission will be allowed a nomination if the right has been exercised within a year during the same commission by a previous captain.

Officers having nominations must exercise their privilege before the 15th April for the June examination, and before the 1st October for the November examination. If they fail to nominate for the first examination after their appointment they will only be allowed to nominate for the following examination.

If a candidate, nominated for the first examination at which an officer can exercise this privilege, fails to pass the test at the medical examination, the officer will be allowed a fresh nomination for the following examination,—but in no other case. No fresh nomination will be allowed where the candidate fails to pass the test at the examination under the Director of Education.

12. Seven nominations will be given annually to the colonies, under the regulations hitherto in force as to nomination and examination; but the limits of age will be from 13 to 15½ if examined before the 15th October, 1870—and from 13 to 13 if examined after that date.

Cadets passing in the colonies will, in all other respects, be subject to these regulations, and must be at once sent to England to undergo the course of training.

Printed examination papers will be sent out to Commanders-in-Chief and Senior Officers on foreign stations, under seal, and the candidates' examination papers, with a report of the marks awarded at the examination, are to be forwarded to the Admiralty (should the candidate succeed in passing), together with the duplicate certificate of health.

13. For all cadets, including colonial cadets, entered under these regulations after the examination in August 1869, the annual rate of payment will be, as at present (40*l.* a-year), during the year 12, 0, and afterwards at the rate of 70*l.* per annum for the period in the "Britannia," and 50*l.* for the year in the sea-going training ship, to be paid half-yearly, in advance, to the Accountant General of the Navy. But the Lords Commissioners of the Admiralty reserve the power of selecting from among the candidates nominated at each half yearly examination a number, not to exceed 12, being sons of Officers of the Royal Navy or Marines, or of civil officers under the Board of Admiralty, with respect to whom the annual payment for the two years in the "Britannia" will be 40*l.* only. In selecting these their Lordships will have regard solely to the pecuniary circumstances of the parents or guardians of the cadets.

In the event of the full number so selected not succeeding in the competition, their Lordships will, if they think proper, make the number up from among the sons of officers as above who have succeeded at that examination.

14. Candidates who succeed in the competition will be appointed to the "Britannia."

15. The date of entry of those who pass in June is to reckon from the 15th July of the same year; of those who pass in November from the 15th January of the next year.

16. The period of training on board the "Britannia" will be, as now, four terms; but there will be two terms in each year, instead of three. The first term of each year will be from February to July, the second from August to December.

The vacations will be—6 weeks at Midsummer, 6 weeks at Christmas, and a week at Easter.

17. There will be an examination at the end of each half-year, and an intermediate examination at Easter for cadets in their first year.

18. Cadets who join in August and who pass an unsatisfactory examination in December will be warned that they will be discharged at the following Easter if they do not show sufficient improvement. Cadets who join in February and pass an unsatisfactory examination at Easter will be similarly warned with respect to the examination in July.

Any cadet who passes unsatisfactorily at a subsequent examination will be discharged.

19. Notice will be given of the minimum number of marks which must be obtained at each examination.

20. At the examination at the end of the fourth term cadets will be classified according to their merits in study and conduct; and they will be allowed time for their service in the "Britannia" as follows:—

	Study.	"Very good" conduct.
	Time allowed.	Time allowed.
	Months.	Months.
1st Class	18	12
2nd Class	6	1
3rd Class	None	1

21. The examination and rating of cadets, as midshipmen in the sea-going training ships is to be regulated entirely by the time notified in their certificates, thus:

Cadets who obtain 18 months' time will be rated as midshipmen at once on passing out of the "Britannia."
Cadets who obtain 9 months' time will have to serve 3 months
" 6 " " " 6 "
" 3 " " " 9 "
" no time " " " 12 "

in the sea-going training ships before being rated as midshipmen.

22. After passing the final examination in the "Britannia" the midshipmen and cadets will be appointed to the sea-going training ship for one year.

23. Any cadet or midshipman who, at any time during the three years' probation, may be certified by the medical officer of the "Britannia" or of the sea-going training ship to have become subject to any disease or physical defect which will render him unfit for service will, on the circumstances being reported to their Lordships, be at once discharged.

24. After six months in the sea-going training ships an examination is to be held, and at the end of twelve months a second; and any midshipman or cadet failing in passing the test at either of these examinations will be at once discharged from Her Majesty's Service.

At the latter of these examinations they will be examined in three classes, both for seamanship and study.

25. The examination paper for the first examination will be transmitted under seal to the sea-going training ship, and the work of the cadets or midshipmen is to be returned under seal to the Admiralty.

26. Full time will be allowed to every midshipman and cadet for his period of service in the sea-going training ships, but additional time will be allowed to every midshipman and cadet whose conduct has been uniformly good, as under

	Months.
1st Class Seamanship	1
1st " Study	1

In the case of those who having gained 12 months in the "Britannia" gain also 6 months' time in the sea-going training ship, the rule as regards the age (19) of promotion to lieutenant will be relaxed,—and they will be allowed to pass at 18, provided they have completed the necessary service, but they will not be eligible for promotion from the rank of sub-lieutenant to that of lieutenant till they are 19 years of age.

27. The period of service required to enable officers to qualify for Lieutenant will be five years, including the time spent in the training ships, but this rule will only apply to officers who entered the Service under these Regulations.

28. The parent or guardian of every cadet will be required to provide outfit as under the present regulations, and to make a declaration (on the admission of the cadet to the "Britannia") to the effect that he shall be immediately informed on the receipt of an official intimation of his being considered unfit for the Royal Navy.

19 Cadets who entered the "Britannia" in December 1868, or April 1869, will pass out in July 1870, and those who entered in August 1868, will pass out in December 1870. Three months' extra time will be allowed to cadets who entered in December 1868.

CADETS FOR NAVIGATING DUTIES.

20. Navigating cadets will be nominated solely by their Lordships—and in every respect, with the following exceptions, they will be subject to the above Regulations:—

Transfers are to be entered annually by competition,

—if at each half-yearly examination; 24 nominations are to be made for each examination.

The annual payment for navigating cadets will be 40*l.* for from the home and the sea-going training ships. Those who do not obtain the rating of Navigating Midshipman on passing out of the "Britannia," will be allowed an intermediate rate of pay of 2*s.* 3*d.* a-day (41*l.* 1*s* 3*d.* a-year) until they obtain that rating.

By Command of their Lordships,

To all Commanders-in-Chief, &c. VERNON LUSHINGTON.

NAVIGATING CADETS—PAY OF THOSE WHO DO NOT OBTAIN THE RATING OF MIDSHIPMEN ON PASSING OUT OF THE "BRITANNIA."

At the Court of Windsor,
the 11th day of December, 1869.

Present:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 10th of December, 1869, in the words following:—

"Whereas we have recently made an alteration in the system of training Cadets in Your Majesty's Navy by lengthening the period of training and placing all Cadets on the same footing, which puts the Cadets of the Navigating Class in a slightly worse position as regards pay than they are in at present, as instead of obtaining the rating and pay of Midshipmen on passing out of the "Britannia," they will, under the new Rules, frequently have to wait for three, four, or twelve months dependent on their progress in the Training Ship before they attain that position: We humbly beg to propose to Your Majesty that, in order to give some compensation to those young Officers, whose course, compared with those of ordinary cadets, are generally limited, Navigating Cadets who do not obtain the rating of Midshipmen on leaving the "Britannia," should be granted an intermediate rate of pay of 2*s.* 3*d.* a-day (41*l.* 1*s.* 3*d.* a-year), until they obtain that rating: and we beg to add that the Lords of Your Majesty's Treasury have signified to us their concurrence in this arrangement.

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

(Signed) EDMUND HARRISON.

(CIRCULAR No 24—C.)

Admiralty, 8th March, 1870.

(COLONIAL CADETS.)

With reference to the Regulations respecting Naval Cadets contained in Circular No. 3 of the 6th January, 1870, my Lords Commissioners of the Admiralty are pleased to issue the following Regulations in regard to the Entry, Passage to England, and Pay, &c., of Colonial Cadets.

1. Cadets examined in the Flag Ships abroad will, if they pass, be entered as Supernumeraries for Victuals only, and sent home in any Man-of-War or Transport ordered to leave for England, to join the "Britannia." In the event of no such Ship being about to leave for England, passage, including mess, at the public expense, will be provided for them by Mail Packet, or by private Ship, the latter being preferred where the Packet fares are high.

2. They will not count time or receive pay until they join the "Britannia," and arrangements are to be made so that, if possible, they may arrive in England a short time before the commencement of a term, i.e., before the 1st January or the 31st August; and Parents are to arrange with the Secretary of the Admiralty, on their account, being received by the Accountant-General prior to the Cadets joining the "Britannia."

By Command of their Lordships,

To all Commanders-in-Chief, &c. VERNON LUSHINGTON.

MEMORANDUM No. 16.—W.

EXAMINATION OF OFFICERS FOR THE RANK OF NAVIGATING LIEUTENANT.)

Admiralty, 25th November, 1868.

My Lords Commissioners of the Admiralty are pleased to direct that, after the 1st April, 1869, the Examination of Officers at the Royal Naval College for the Rank of Navigating Lieutenant shall be the same as that for the Rank of Lieutenant in Her Majesty's Fleet.

By Command of their Lordships, W. G. ROMAINE.

EXTRACT FROM LATE CIRCULAR, No. 288.

Admiralty, 23rd February, 1857.

XI. All Midshipmen, until they shall have passed their examinations for Lieutenant, are to keep a book in which the ship's reckoning is to be worked out and noted, and when they are at sea this book is to be sent in every day to the Captain, instead of the slip of paper containing a day's work, which is now usually presented. It is also to be produced at their examinations; and during the last six months of their service Midshipmen it must contain the working of the Observations as given in Sheet B.

XII. A Midshipman when he shall have served eighteen months in that rank will be required to pass an intermediate Examination. In addition to the subjects embraced in former Examinations he will be required to have—

1. A good knowledge of practical Navigation, showing that he understands the principle of Navigating a Ship from one distant port to another, by Dead Reckoning and by his own Observations; and that he can explain the principles of the same; and that he can also take and work a double Altitude and Azimuth.

2. A sufficient knowledge of the Chart as will enable him to place thereon the position of the Ship by Observation as well as by Cross Bearings; and to lay off the True and Compass Courses.

3. Such knowledge of Nautical Surveying, as may enable him to measure a base line and determine positions by angles, and the manner of ascertaining heights and distances.

4. If he has served in a Steam-Vessel, an acquaintance with the different parts and working of the Steam Engine.

5. A proficiency in French.

6. He must be a fair practical observer.

7. He must produce Log Books kept by himself from the time of his entry into a Sea-going Ship, and Certificates of Good Conduct.

8. He will likewise be examined as to his progress in the knowledge of rigging of Masts, Bowsprits, &c., in getting tops over and placing a lower cap, in setting up rigging, and especially as to the precautions required in staying lower Masts; in hoisting a quarter or stern boat up in a strong breeze with a Sea on; in making up a course and topsail for bending at Sea; in shifting topmasts, yards, and sails at Sea, and the effect of the sails on the Ship both in tacking and wearing; in the detail arrangements for mooring and unmooring Ships and getting under-way. He must likewise know the Great Gun and Small Arm Exercise, the use of Tangent Sights,

the charges for the Guns of the Ship, and be able to Exercise the Men at his Quarters. A report of the progress he has made in each of the above subjects is to be made to the Secretary of the Admiralty in the Half-yearly Return.

XIII. The Examinations under Articles X and XII are to be conducted by the officer in command, not below the rank of Commander, and the next Senior Officer in the Ship, and the Examinations in Navigation, in the presence of a Captain or Commander, by two Naval Instructors when it may be practicable, or by a Naval Instructor and a Master, or where there is no Naval Instructor by two Masters, that in Gunnery by a Gunnery or other competent officer; and at these Examinations the Candidate is to be made to take and work out his own observations for Latitude, Longitude, Variation, &c., as the case may be. 1st or 2nd Class Certificates are to be given according to the merit of the Candidate, in the Form A, page 8, or he is to be rejected if found incompetent.

XIV. A Midshipman, when he shall have passed the Examination referred to in Article XII, must continue to serve in that rank for a further period of two years, and having completed such two years, he may, if he has attained the age of 19 years, present himself to pass his Examination for the rank of Lieutenant, in accordance with the Forms Nos. II., III., IV.

XV. The Examination for the rank of Lieutenant is to be conducted before three Captains or Commanders, by order of the Commander-in-Chief or Senior Officer of two or more ships present together; but a Midshipman having completed his term of service, and being 19 years of age, who is serving in a ship or vessel so far separated from other ships that the foregoing Regulation cannot be complied with, may be provisionally examined by the Captain or Commander of such ship or vessel, with the aid of other competent Officers—Lieutenant, Master, or Second Master, and if they find him to be duly qualified, they are to give him a certificate to that effect, dated on the day of such examination, and the Captain may forthwith give him an acting order as Mate; but he must be re-examined on the first opportunity that shall afterwards offer by three Captains or Commanders, as before required, and if he passes successfully, he will receive from the Commander-in-Chief, or Senior Officer, an acting order as Mate to take rank according to the date of the first certificate.

As the above is the final Examination in Seamanship, the Examining Officers are to be most strict in their investigation of the qualifications of Officers, and they are to see that everything required by these Regulations has been complied with by the Candidate, and that he produces Certificates of good conduct from Captains he has served under for 5 years.

XVI. All Midshipmen and Acting Mates will be required to undergo the following final Examinations—

1. In Gunnery—On board the Excellent. 2. In Navigation and the Steam Engine—At the Royal Naval College.

Acting Mates who have already passed abroad are to present themselves for Examination on board the Excellent on the first * Examination Day after their arrival in England, or after being paid off, and having passed in Gunnery, they are then at liberty to select either the 1st, 2nd, or 3rd Examination Day at the Royal Naval College.

XVII. Any Officer rejected on his first Examination at the College will incur the forfeiture of three months' seniority in his rank as Mate. He may present himself on the next Examination Day, but a second rejection will incur the forfeiture of three months more seniority; he may again present himself on the next Examination Day, but a *third rejection* will cause his name to be removed from the List of the Navy.

XVIII. Officers when they have passed their final examination at the Royal Naval College, as provided for in these Regulations, will be confirmed from the date of their first Certificate.

The non-appearance of an Officer for Examination at the Royal Naval College at the times required by these Regulations will be considered as an acknowledgment of his not being qualified, and he will be dealt with in the same manner as if he had been actually rejected on each day on which he may have omitted to appear, unless under certified ill-health, to be duly reported at the time.

XIX. Naval Instructors are to keep a School Journal or Register, which is to be produced when required by the Captain of the Ship or the Examining Officers, and the Captain is to allow them reasonable access to the charts and chronometers, for the purpose of instructing the Officers in their use.

* By an Order dated 6th June, 1862, Officers are allowed to present themselves to pass in Gunnery on the *second*, instead of on the *first* examination-day, it being distinctly understood that such indulgence is not to interfere with the Regulations as to the time in which officers are required to pass the final examinations at the R. N. College.

XX. The Examinations under Articles X and XII are to commence with those Officers who shall enter the Service after May, 1857, and the final Examination at the Royal Naval College, required by these Regulations, is to commence in August, 1862; but any Midshipman, previous to that time, when he may have completed five years service, and who shall have attained the full age of 19 years, may present himself for final examination in Seamanship, Gunnery, and Navigation, in accordance with the foregoing Regulations, instead of having to serve six years as now required; but if he fails in passing his *first* Examination he will not be allowed to come up for re-examination until he has completed his six years' service.

XXI. With reference to Circular No. 58, of the 17th December, 1849,—The final Examination at the Royal Naval College, established by the foregoing Regulations, for the rank of Lieutenant, shall also be extended to the Examination of Officers for the rank of Master, with the exception of the knowledge of French; and the Regulations in regard to the rejection of Candidates, shall equally apply to those Officers passing for the rank of Master will not be required to pass a Gunnery Examination.

XXIII. The Captains of H.M. Ships are to take care that a convenient place is set apart and proper hours are allowed for instruction by the Naval Instructor, and all Midshipmen, Mates and Acting 2nd Masters, as well as all Engineer Officers under that rank, are to attend, and care is also to be taken that they are regularly instructed in Practical Seamanship, Rigging, and the Steam Engine, and a Monthly Examination Day is to be established.

6. Candidates will be subjected to a Preliminary Examination in the first three subjects, and should they fail in any of the three they will be at once rejected. Those who pass the preliminary test will then undergo a Competitive Examination in the remaining subjects, and the Candidates who display a competent knowledge of all the above subjects will be classed in one general list in order of merit, according to the number of marks gained, and will be eligible for appointment in existing vacancies. Those who do not succeed at the first examination will be allowed a second trial, if not over age ; but they must apply to the Superintendents for a second nomination.

7. Engineer Students will be employed in the Factories for a period of six years, with a view to their becoming Naval Engineers if, on examination at the end of that time, they are found to possess the necessary qualifications. In the course of the six years they will be employed in the fitting and erecting shops, and will attend in the drawing office, the foundries, the smitheries, and other shops, to acquire a general knowledge of the work done in them. They will also attend at the Dockyard School two afternoons and two evenings in the week to pursue such studies as may from time to time be determined on. Means will also be afforded them of acquiring the groundwork of the knowledge required by a Naval Engineer, respecting the working of marine engines and boilers, the practical use of the various instruments used in the engine room, including the indicator, and of becoming generally acquainted with the duties of a Naval Engineer.

10. Engineer Students who may fail to attain the required standard *for the scholastic examination* at the end of six years, will be allowed to present themselves a second time, at the next half-yearly examination of the Director of Education; if they fail to obtain their certificates at the second examination, they will cease to be eligible for the Naval Service.

11. The weekly pay of Engineer Students will be 8s. during the first year of their training, and if they are reported deserving by the Chief Engineer and Inspector of Machinery, it will be increased 2s. a week each year until the sixth, and then increased 8s., making their wages 24s. a week for the last year.

My Lords Commissioners of the Admiralty are pleased to direct that the examination of Assistant-Surgeons for the rank of Surgeon in the Royal Navy, at the Royal Colleges of Surgeons of England, Edinburgh, or Dublin, or by any other corporate body legally entitled to grant a diploma, shall be discontinued, and that Assistant-Surgeons desirous of qualifying themselves for the rank of Surgeon, instead of being examined, as at present, by the Deputy Inspector-General attached to the Department of the Medical Director-General of the Navy, shall pass before the Naval Medical Board, periodically summoned by their Lordships for the examination of Candidates for the appointment of Assistant-Surgeon in the Royal Navy.

These examinations will take place at Somerset House on the first Tuesday in alternate months, commencing with Tuesday, the 5th March, 1867.

REGULATIONS RELATIVE TO THE EXAMINATION OF CANDIDATES FOR THE APPOINTMENT OF ASSISTANT-SURGEON IN THE ROYAL NAVY.

The Right Honourable the Lords Commissioners of the Admiralty are pleased to direct, that the following Regulations, relative to the Examination of Candidates for the Appointment of Assistant-Surgeon in the Royal Navy, shall in future be adopted:—

1. That a Candidate for entry into the Royal Navy shall make a written application to that effect, addressed to the Secretary of the Admiralty; on the receipt of which application he will be furnished with the Regulations, and a printed Form, to be filled up by him, to show if he possesses the required qualifications.

2. As vacancies occur, the number of Candidates required will be ordered to attend at the Admiralty Office on the first Tuesday in alternate months, commencing with Tuesday, the 2nd July, 1867; but it is to be observed, that no person can be admitted as an Assistant-Surgeon in the Royal Navy, unless he can produce satisfactory evidence that his name has been placed on the Medical Register as legally qualified to practise both Medicine and Surgery according to the regulations established by the Medical Act. And further, he will be required to make a declaration that he is free from any mental or bodily disease, defect, or infirmity which could interfere with the efficient discharge of his duties as a Medical Officer in the Navy.*

3. Each Candidate will be required to produce a Certificate of good moral character, signed by the clergyman of the parish or by the magistrate of the district.

4. A Certificate that he is not less than twenty, nor more than twenty-eight, years of age.

5. That he has received a preliminary Classical Education.

6. That subsequently to the age of eighteen he has actually attended a recognised Hospital for eighteen months, in which the average number of patients is not less than one hundred.

7. That he has been engaged in actual dissection for twelve months, and that he has performed the principal capital and minor operations on the dead body under a qualified teacher. The Certificates of Practical Anatomy must state the number of subjects or parts dissected by the Candidate.

8. On producing the above Certificates he will be examined before a Board of Naval Medical Officers, specially summoned by their Lordships, on the following subjects, viz.:—

Anatomy.	Chemistry.
Surgery.	Materia Medica.
Physiology, or Institutes of Medicine.	Midwifery.
Practice of Medicine.	Botany.

9. Although the above are the only qualifications which are absolutely required in Candidates for the appointment of Assistant-Surgeon, a favourable consideration will be given to those who have obtained the degree of M.D. from any University in the United Kingdom, or who, by possessing a knowledge of the Diseases of the Eye, or of any branch of science connected with the Profession, such as Medical Jurisprudence, Natural History, and Natural Philosophy, appear to be more peculiarly eligible for admission into the Service, observing, however, that lectures on these or on other subjects cannot be admitted as compensating for any deficiency in those required by the Regulations.

10. Such Candidates as shall have been found in all respects competent for the appointment of Assistant-Surgeon will be forthwith nominated to one of Her Majesty's Ships or to a Naval Hospital at home; or, should their services not be immediately required, their names will be duly registered for early appointments as vacancies may occur. But it is distinctly to be observed, that Candidates admitted into the Naval Medical Service must serve in whatever ship they may be appointed to; and that in the event of any being unable to do so from sea-sickness, their names will be continued on the Naval Medical List, but can then of course, be allowed Half Pay.

11. By the rules of the Service no Assistant-Surgeon can be promoted to the rank of Surgeon until he shall have served five years, two of which must have been in which actually employed at sea, after which he will be required to pass an examination before a Board of Naval Medical Officers, assembled at the Department of the Medical Director-General of the Navy.

12. Assistant-Surgeons at home, after completing the stipulated five years' service, may, if the public service admit, be granted two months' leave of absence on full pay, on condition of their resuming their studies at a London School or Hospital.

13. Their Lordships have been pleased further to direct that a limited number of those Candidates who pass the best examination on entering the Service shall be promoted annually to the rank of Surgeon at an earlier period than would occur under ordinary circumstances; and that such promotions shall be awarded as follows:—

The Candidate who passes the best examination of the year—after five years' service.

The Candidate who passes the second best examination of his year—after six years' service.

The Candidate who passes the third examination of the year—after seven years' service.

Provided, however, that their second examination be passed in an equally creditable manner, and that their conduct during the whole time they have been in the Service has in all respects been satisfactory.

By command of their Lordships, HENRY G. LENNOX.

CIRCULAR No. 9.—M.

Admiralty, 23rd February, 1869.

(EMPLOYMENT OF PRIVATES OF ROYAL MARINES AS PERSONAL SERVANTS OF WARD ROOM OFFICERS.)

My Lords Commissioners of the Admiralty being desirous of reducing the large number of persons borne as Servants on the books of Her Majesty's Ships, are pleased to direct that no more Ward Room Officers' Servants shall hereafter be entered from the shore, and that Privates of Royal Marine Light Infantry, who may volunteer for the duty, shall be entered as Personal Servants to Ward Room Officers.

Ward Room Officers' Servants may be continued in Ships in Foreign Stations, commissioned prior to 1st July, 1867, until the ships shall be paid off. Marines will be sent out for the purpose of being placed in Ships commissioned after that date, and any Ward Room Officers' Servants then in a Vessel may be transferred to Ships having vacancies, commissioned prior to 1st July, 1867, or be sent to England to be paid their wages and to be discharged.

In the Channel Squadron and Ships at Home, the change is to be made as soon as convenient opportunities occur.

The number of *Ward Room Servants* (for the Mess) is to be increased from two to three in Ships commissioned after 1st July, 1867, and hereafter commissioned, the complement of which exceed 650 men; and from one to two in such Ships with less than 650 and more than 300 men; and a Ward Room Cook's Assistant is to be borne in all 6th Rates, and in Sloops with 175 men, commissioned after 1st July, 1867—these servants are to be included in the present total complements.

The number of Privates of Royal Marine Light Infantry borne on board Her Majesty's Ships, commissioned after 1st July, 1867, or hereafter commissioned, are to be increased by—

7 in all Ships with more than 400 Men.
6 in Ships with less than 400 and more than 200 Men.
5 in 6th Rates from 255 to 170 Men inclusive.
4 in Sloops from 175 to 125 Men inclusive.
3 in Sloops of 100 Men and Gun Vessels of 110 and 90 Men.
2 in any Vessels with smaller complements commanded by Commanders.

In each case the total complement to remain the same as at present.

Hackney and other Ships with special complements to be specially dealt with.

The following are the Regulations to be observed with regard to Royal Marines attending on Ward Room Officers.

A Commander in a Ward Room Mess may have the option of taking a Marine as his Servant, instead of a Man with the special rating of Commander's Servant.

Such Staff Commanders, Staff Surgeons, Paymasters, Chief Engineers and Naval Instructors *as may be entitled under existing Regulations to rank with Commanders*, are also to be allowed the option of employing one Marine for a Servant.

Two Ward Room Officers (except Marine Officers, who are to remain on the same footing as in Barracks), are to be allowed a Marine to attend upon them as a Servant, but where there may be an odd number of Officers borne, a Marine may be assigned to one Officer, giving the preference to the Senior Executive Officer.

In Flag Ships, or in other cases when Ward Room Officers are borne as supernumeraries, one Marine may be employed as Servant to two Officers as long as they are so borne.

The Marine Servants are to receive—if employed by two Officers, 6s. a month from each Officer, and if employed by only one Officer, 10s a month from him.

They are to be excused from keeping guard or watch, but are to work with the hands when required, except that one-third of the number allowed may be excused Idlers to assist in the Mess.

They are to attend Morning Parade and Evening Quarters, and to be periodically drilled and exercised, according to their individual excellence, but never less than once a month, in order to keep up the knowledge of their duties as Soldiers, and of their Gun Drill. They are to be inspected at "manning order" *at least* once in each quarter, and they are to exercised in the duties of whatever may be their station in battle, as often as necessary to keep them thoroughly efficient.

No Recruit is to be employed as a Ward Room Officer's Servant. They are *generally* to be selected from Marines with Good Conduct Badges, but if any servant is reduced to the 2nd Class for a breach of the discipline of the Ship, the Officer is not necessarily to be deprived of his service.

They are to be subject in every way to the existing Regulations respecting leave. When landed for any specific purpose, with leave from the Commanding Officer, the duration of their absence is to be clearly defined. Any absence of a Servant on duty *for his Master* is not to be considered as leave.

As the Uniform of Royal Marines is not suitable to be worn when Men are attending at the Ward Room Table, or otherwise doing duty as Servants afloat or on shore, it is to be reserved for Servants to use only when performing military duties. Their Lordships are pleased to establish a special dress for Marine Servants, viz.:—

Blue jacket	}	"Drill" may be worn in lieu in warm climates.
" waistcoat		
" trousers		
" cap		
Black neckerchief		

This suit of clothes the cost of which is not to exceed £2, is to be supplied annually at the Government expense.

In the event of a detachment of Royal Marines being disembarked for temporary service on shore, the Marine Servants are to accompany it, should the emergency be such as to require their presence.

The Commanding Officers of Ships are to give every facility to Ward Room Officers, to enable them to meet any inconvenience which this change of system may unavoidably occasion.

As only Trained Men will be employed as Servants, and their efficiency as soldiers will be maintained, they are in no way to forfeit their prospects of Promotion to be Non-commissioned Officers when they become eligible under existing Regulations.

By Command of their Lordships,
To all Commanders-in-Chief, &c. W. G. ROMAINE.

PRESENT:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable Lords Commissioners of the Admiralty, dated 23rd day of December, 1869, in the words following, viz.:—

"Whereas We have under consideration the subject of the Servants now allowed at the public cost to the Commanders-in-Chief of Your Majesty's Ships and Vessels at the Home Ports; their Secretaries; and the Superintendents of Your Majesty's Dockyards at Home; and whereas We are of opinion that it would be for the advantage of Your Majesty's Naval Service, and a saving of expense to the country, if a composition were granted to such Officers to enable them to provide their own Servants; We humbly beg leave to recommend that Your Majesty will be graciously pleased, by Your Order in Council, to establish the various Commuted Allowances proposed in the following Table:—

"And whereas we are further of opinion that the existing Office of Flag-Lieutenant to the Admirals Superintendent of the Dockyard at Home is no longer required, and that unnecessary expense is consequently occasioned to the public; We humbly beg leave to recommend that Your Majesty will be graciously pleased, by Your Order in Council, to abolish such Offices from the 1st of April next, or before then in case of any fresh appointment of a Superintendent.

"And whereas We have also had under our consideration the existing regulations on the subject of the Table Money allowed to the Commanders-in-Chief at Home, and Admirals Superintendent of Your Majesty's Dockyards at Home; and being humbly of opinion that it would be for the advantage of Your Majesty's Naval service, if, when such Officers are on leave, they should not altogether lose their Table Allowances; We beg leave to submit that Your Majesty will be graciously pleased to sanction our proposal, that, from the first of October last, Commanders-in-Chief at Home and Admirals Superintendent of Home Dockyards, be allowed half the amount of their Table Money during short leave of Absence when granted by the Admiralty, not to exceed six weeks in the year. The Lords Commissioners of Your Majesty's Treasury have signified their approval of these proposals."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

MEMORANDUM—THE APPOINTMENTS TO ROYAL NAVAL COLLEGE FOR STUDY.

Admiralty, 27*th August*, 1869.

Cases having occurred of Officers on half-pay having made application for, and received appointments to, the Royal Naval College twice, and even three times, in a few years, the Lords Commissioners of the Admiralty consider that such a course is not attended with beneficial results to the service generally, and should be discontinued, as it has the effect of preventing other officers (who have not previously had the advantage of going through the course of study at the College) from being able to do so, the number of vacancies, as well as the accommodation for officers, being limited. Their Lordships are therefore pleased to direct that in future officers on half-pay who have once been appointed to the College for study, and remained there for the period allowed, "12 months," or who may have quitted, at their own request, before completing the course of study, shall not be eligible for reappointment until a period of six years has elapsed from the date of their former appointment.

Officers applying for appointments to study at the College are to state, when making their applications, whether they have previously studied at the College, and if so, at what date.

CIRCULAR No. 36.—LMM.

Admiralty, 24th June, 1869.

BEARDS AND MOUSTACHES IN THE ROYAL NAVY.

The Lords Commissioners of the Admiralty have had under their consideration the provisions of the Chapter of Article 43, page 836 of the regulations, forbidding the wearing of Beards and Moustaches by Officers and Men of the Fleet.

Representations having been made to their Lordships that it would conduce to the health and comfort of men under many circumstances of service, were they to be permitted to discontinue the use of the Razor on board the Majesty's Ships, they have been pleased to issue the following Regulations:—

1. Clause 43, Chapter 44, of the Regulations is repealed, and Officers and Men on board her Majesty's Ships, including the Royal Marines when embarked, will in future be permitted to wear Beards and Moustaches.

2. In all cases, when the permission granted in Clause 1 is taken advantage of, the use of the Razor must be entirely discontinued. Moustaches are not to be worn without the Beard, nor is the Beard to be worn without the Moustaches.

3. The Hair of Beard, Moustaches, and Whiskers, is to be kept well cut and trimmed, and not too long for cleanliness. The Captain is to give such directions as seem to him desirable upon these heads, and to establish, so far as may be practicable, uniformity as to length of the Hair, Beard, Moustaches, and Whiskers of his Men; observing that the Men who do not avail themselves of the permission to wear Beard and Moustaches will wear their Hair and Whiskers as heretofore.

4. Officers of Divisions will take special care that the provisions of Clauses 2 and 3 are strictly attended to by all of their Men as may avail themselves of the permission contained in Clause 1, and failure in these respects to be considered as an offence under Article C in the Table of Summary Punishments.

5. Royal Marines on shore will follow the Regulations of the Army with regard to Beard and Moustaches.

6. Their Lordships desire that it may be distinctly understood that permission now given to wear Beards and Moustaches is not necessarily to be considered as permanent, and that if neatness and cleanliness are not observed this order will be revoked.

By Command of their Lordships,
W. G. ROMAINE.

To all Commanders-in-Chief, &c.

CIRCULAR No. 67.—LMM.

Admiralty, 6th December, 1869.

BEARDS AND MOUSTACHES FOR ROYAL MARINES.

1. The Lords Commissioners of the Admiralty have observed that the provisions of Circular No. 36, 24th June, 1869, have not been uniformly interpreted as to Royal Marines embarked on board Her Majesty's Ships, and they are pleased to direct as follows:—

2. Officers and Men of the Royal Marines may wear their Moustaches *only*, when embarked, should they prefer so to do.

2. Considering the hardships that might be involved in compelling such Officers and Men of the Royal Marines to elect to wear both Beards and Moustaches when embarked, to shave their Beards on being discharged to Head Quarters on shore, their Lordships are pleased to direct that the permission to wear Beards on board ship granted by Circular No. 36, shall be extended to all Officers and Men of the Royal Marines on shore.

4. In other respects, the provisions of the above Circular apply to Royal Marines on shore, as well as afloat, and the attention of Commanding Officers is especially called to the necessity of enforcing neatness and cleanliness.

By command of their Lordships,

NAVAL RETIREMENT.

At the Court of Osborne House, Isle of Wight, the 1st day of August, 1860.

(Present, the Queen's *Most* Excellent Majesty in Council.)

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 31st of July, 1860, the words following, viz. :—

"Whereas having had under consideration the inadequacy of the means at present at our disposal of employing Officers who are fit and desirous to serve your Majesty, as well as our inability to extend sufficient reward by promotion or otherwise to many Officers who have served long and faithfully; and being further of opinion that additional encouragement is required to induce Officers to serve with willingness and zeal while in health and vigour, we would humbly submit to your Majesty that we be empowered in future to award an honourable retirement to Officers who shall have attained an age which renders it unlikely that they will be long fit for further active service; and also, as an additional Reward for past Service, and as an inducement to Officers on the Active List to seek Retired Service, we would further suggest that the Half Pay of Lieutenants should hereafter be proportionate to, and made dependent upon, their Length of Service.

"Should your Majesty be graciously pleased to sanction these our propositions, we would humbly submit that we be authorized to carry the following alterations and suggestions into effect.

"*First, as relates to Captains.*

"We would humbly propose that all Captains who have attained, or shall hereafter attain, the age of sixty, without having served in their present rank, be placed on a Retired List, and receive Retired Pay as follows :—

"17. Lastly, it was provided by Your Majesty's Order in Council of 1st August, 1860, that Commanders and Lieutenants should in future, on being retired from the Active List, be granted Retired Half-pay, graduated according to length of service; and whereas it has been represented to us that, although this system has, generally speaking, worked greatly to the advantage of these classes of Officers, cases have been and may be hereafter cases in which Officers so retired might receive a less amount of pay than that of which they would have enjoyed had their position not been disturbed by the provisions of the said Order in Council; in order, therefore, to prevent such Officers from becoming sufferers by a retrospective regulation, we would humbly submit to Your Majesty, that on their rising to a flag, had they continued on the Active List, they would have entitled them to any higher rate of Half-pay, shall be exempted from the provisions of the Order in Council of 1st August, 1860, and awarded the same rate of Retired Pay as if their position had not been affected by those provisions.

"Should Your Majesty be graciously pleased to sanction our suggestions, we would humbly submit that Your Majesty will authorize us to carry into operation the several arrangements and changes herein contemplated, from the 9th July, 1864."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed, and the Right Honourable the Lords Commissioners of the Admiralty do give the necessary directions herein accordingly.

3. Vice-Admirals to be retired on attaining 68 years of age, or when physically unfit for service.

4. Rear-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.

5. Flag Officers, at present on the Active List, who may be retired under these Regulations, will retain all the privileges of rising in rank and pay to which they are now entitled; but no Flag Officer who has not hoisted his flag will be considered eligible for the appointments of Vice and Rear-Admirals of the United Kingdom, or for promotion to the rank of Admiral of the Fleet.

Vacancies on the List of Flag Officers on Reserved Half-pay in receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

8. Captains to be retired on attaining sixty years of age, or when physically unfit for service, on the terms of the Order in Council of the 9th of July, 1864. Those at present on the Active List who, before attaining the age of sixty, shall have served the necessary time to qualify them for promotion to the Active Flag List, are to be allowed to retain their places on the Active List, if they should prefer it; but no Captain will be eligible for promotion to the Active Flag List after sixty years of age, or if physically unfit for service.

9. Officers promoted to the rank of Captain after the date authorised by Her Majesty's Order in Council, to be subjected to compulsory retirement on attaining the age of sixty, whether they have served or not.

10. Captains of sixty years of age, who have served the necessary time to qualify them for promotion to the Active Flag List, and who remain on the Captains' List until promoted to Rear-Admiral, to be placed on the Retired List, but will be allowed to rise by seniority to the rank and pay of Vice-Admiral and Admiral respectively. Captains who have served their time, but who retire voluntarily before reaching the top of the List, will not be entitled to rise to higher pay as Flag Officers than twenty-five shillings a day, in accordance with the Order in Council of 9th July, 1864.

REGULATIONS RELATING TO PENSIONS TO WIDOWS, AND COMPASSIONATE ALLOWANCES TO CHILDREN.

1. Widows of Commissioned and Warrant Officers of the Royal Navy, and of Commissioned Officers of Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the table in the Appendix, and subject to the following regulations:

2. The Pensions authorised by these Regulations cannot be claimed as a *Right*:—they are granted as rewards for good and faithful service rendered by deceased Officers;—they will only be conferred on persons deserving the Public Bounty;—they will not be granted to Widows left in wealthy circumstances, and are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

3. The Pensions of all Widows shall commence from the day following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of Pension to which she would have been entitled to if living, shall not be allowed to her representatives.

6. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband, being a Commission Officer, married after the age of Sixty Years,—or, being a Chief Gunner, Chief Boatswain, Chief Carpenter, or a Warrant Officer, after the age of Fifty Years.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon: provided he was officially warned that his Widow would thereby forfeit the Pension.

iii. If her husband had been guilty of any fraudulent misapplication of the public money, discovered and proved in the final settlement of his accounts.

iv. If her husband died in the service of a Foreign State, unless serving with the permission of the Admiralty.

v. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in the Sea Service; but the Admiralty may grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, in such cases as they think proper.

vi. If she shall receive any other Pension, Pecuniary Allowance from the Government on account of her Husband's services in a Naval or Military capacity.

viii. If she shall be left in wealthy circumstances.

7. The Widows of Commission Officers (except Chaplains) who shall have married after the 31st of December, 1833, are only entitled to the Pensions of their respective classes in the event of their Husbands having been on the Lists of Commission Officers, or on the List of Naval Instructors, for complete years, except the Husband be killed in action, or lose his life in the execution of the Service. If, however, the Officer died from the effects of foreign service, not provided he had been five years on the List,—was in perfect health when he married,—and it be clearly shown that the disease which occasioned his death resulted from such service alone, did not arise from constitutional predisposition, and was not brought on by any misconduct, or by any circumstances over which the Officer himself had control.

The Widows of Chief Gunners, Chief Boatswains, Chief Carpenters, are only entitled to Pensions in the event of their Husbands having been confirmed in the rank and the Widows of Warrant Officers (Gunners, Boatswains and Carpenters) are only entitled to Pensions in the event of their Husbands having been warranted for a period of one year (acting time included) and provided they shall have been confirmed in the rank of Warrant Officer.

8. No Widow shall receive a Pension as a Chaplain's Widow, unless her Husband shall have been in Priest Orders, nor unless his name was on the List at the time of his death, nor unless she shall have been married during, or prior to, her Husband's Service in the Navy, and unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served the like period of time to entitle him to Half-Pay,* but by Order in Council of the 1st November, 1834, the Widows of Chaplains dying after that date, who shall have completed Seven Years' Service on Full Pay, may be granted Pensions although no portion of such service be subsequent to their marriage, provided they are otherwise qualified, according to the existing regulations governing the grant of Pensions.

9. The Pensions of Widows who shall have married prior to the 31st of December, 1833, shall be paid to them

* See Circular No. 47, 1 December, 1834.

ceive, and their receipts shall, notwithstanding their coverture, be deemed a sufficient discharge for the payment of their Pensions.

iii. In all cases of a Widow re-marrying, on or after the 6th August, 1861, her Pension shall be suspended from the date of her re-marriage; but in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that she is not in worldly circumstances, and is otherwise deserving the Royal bounty, but it will be at all times liable to suspension during her re-marriage. Widows who are re-married before the date of these Instructions and thereby forfeited their Pensions, will not have the same restored to them in the event of their again becoming Widows.

iv. Every Officer, whether on Full or Half-Pay, shall—*in order to facilitate* the decision upon the claim of his Family after his decease, to the benefit of these regulations—notify his marriage *within six months* of its taking place, to the Admiralty, according to the Form in the Appendix.

v. With respect to marriages contracted in Scotland *they will be admitted, for* the purposes of these Regulations which cannot be proved either by an extract of the Register of the Lord Session, or other legal record of the place in which the marriage shall have been celebrated, — or by the acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves *jointly*, in presence of a Magistrate, according to the Form in the Appendix.

vi. Mothers.—When an Officer is killed in action, and leaves no Widow nor legitimate child, but leaves a Mother who is a Widow in distressed circumstances, and who was *dependent upon him*, the mother shall receive a Pension equivalent upon him, the mother shall receive a Pension equivalent to the ordinary rate of Widow's Pension attached to the rank which her Son held at the time of his death; but *no Mother shall* herself be in the receipt of a Pension *as an Officer's Widow, or* shall have any other provision of that kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the whole of her Pension or Allowance, and the Pension given to a Widow *on account of her Son* will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

vii. Sisters.—Sisters of Officers are not eligible to any Allowance, unless under very special and extraordinary circumstances, to be judged of by the Lords of Her Majesty's Treasury. The Allowance will not exceed that which would be given to a Mother, and will not be given in any case unless the Officer shall have fallen in action, or shall die of wounds received in action, within six months after being wounded, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted, will cease when the person receiving it shall marry or be in any other manner sufficiently provided for.

19. *Children of Officers.*—Allowances on the Compassionate List to the legitimate Children of deceased Officers, may be given in those cases in which the Widow of the Officer would be entitled to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government; and that their pecuniary circumstances, and those of their family, are so limited, that they actually require assistance from the Compassionate Fund.

16. The claims of the Children will be considered according to the length, nature, and merit of the services performed by the Father; and as far as the decision upon claims can be governed by Regulation, in the following order, viz.:—

1st. Children of Officers killed in action, or drowned.
2nd. Children of Officers dying from illness contracted in the Service.
3rd. Orphans having neither Father nor Mother.
4th. Children of Officers dying on Foreign Service.
5th. Children of Officers dying on Full-Pay at Home
6th. Children of Officers dying on Half-pay.

17. The Allowances granted to the *Sons* of Officers may be continued until they attain the *Age of Eighteen*, or are otherwise previously provided for;—and those to the *Daughters* may be continued until they marry, or attain the *Age of Twenty-one*, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances.

PRIZE MONEY.

BY THE QUEEN.

A PROCLAMATION.

VICTORIA R.

WHEREAS by Our Order in Council of this Day's Date We are graciously pleased to annul, from and after the Twenty-fifth Day of September next, Our Royal Proclamation of the Twenty-ninth Day of June One thousand eight hundred and sixty-five, regulating, according to the Scheme and Rates therein or recognized thereby, the Distribution of the Proceeds of Prizes captured from the Enemy, of the Droits and Seizures under the several Acts of Parliament relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Pirates and Piratical Vessels, and of the Rewards conferred for the same, as also of the Awards for all Salvage granted to the Crews of our Ships and Vessels of War, when not otherwise specially provided for by the Terms of the respective Awards and Warrants, and in consequence of certain Alterations in the Apportionment and Classification of the Shares being Expedient that Provision should be made for the same, it is expedient that such Proceeds and Salvage Monies, the Distribution of which is otherwise specially apportioned, and all other Monies whatsoever granted to be shared among the officers and Crews of our ships and vessels in the Manner of Prize Money:

And, therefore, now make known to all our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice and consent of Our Privy Council, that Our Royal Will and Pleasure is, and We do hereby direct, That Ships or Vessels being in Fleet or Prize, as also of the captor, under circumstances of Intimidation to the prize and encouragement to the Captor, shall be alone entitled to share as joint captors, and that the distribution of all such net proceeds of prizes, rewards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to our Royal Navy in the manner of prize money, shall be made as follows; viz.:—

That the flag officer or officers shall have one thirtieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed; that is to say,

When there is but one flag officer he shall have the entire one thirtieth part; when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one thirtieth part; and when there shall be more than two flag officers, the chief shall have one-half of the said one-thirtieth part, and the remaining half shall be equally divided among the junior flag officers; commodores of the first class and captains of the fleet to share as flag officers; Provided always, That no flag officer, unless actually on board any of Our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer, unless actually present at the capture or destruction of any pirates or piratical ship, vessel, or boat shall share in any distribution of the proceeds or bounty in respect of such pirates, or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our

ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy or in other captures, seizures, rewards, or any distributive proceeds as aforesaid, made by any ships or vessels which shall sail from or leave such port by order of the Lord High Admiral, or of our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belonging to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one-thirtieth part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from Our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c., with other ships or vessels under a flag or flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be noted,—

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prizes taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed) shall have no share in prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer, or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from our commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorised by Our said commissioners to take the command of that station in which the prize or prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the thirtieth part of prizes taken, whether he be commanding-in-chief or serving under command.

The first captain to the admiral and commander-in-chief of Our fleet, and also the first captain to any flag officer appointed to command a fleet of ten ships of the line or upwards, shall be deemed to be a flag officer for the purpose of sharing in prize, and shall be entitled to share therein as the junior flag officer of such fleet.

Any officer on board any of Our ships of war at the time of capturing any prize or prizes who shall have more commissions than one shall be entitled only to share in such prize or prizes according to the share allotted to him by the above-mentioned distribution in respect to his superior commission or office.

And with reference to these regulations it is to be noted, that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order issued by some other flag officer duly authorized, or by the Lord High Admiral or Our Commissioners for executing the office of Lord High Admiral.

And We hereby direct, that the captain, commander, lieutenant commanding, staff commander commanding, master commanding, or any other officer duly commanding any ship, sloop, or vessel of war, singly making a capture or seizure, or otherwise entitled to the distributive benefits arising from any proceeds, reward, grant, bounty, salvage, or other award as aforesaid, that is to say, the officer actually in command at the time, shall have one-tenth of the remainder, or, if there is no flag, one-tenth of the entire net proceeds, except that if the single captor shall be a rated ship having a commander under the rank of captain the commander shall take a portion of the one-tenth reserved as if he were commander of a sloop according to the proportion hereinafter set forth; and if more than one officer of the same rank of command shall be entitled to share as joint captors, &c., the one-tenth shall be equally divided between them; but when captains, commanders, lieutenants commanding, staff commanders commanding, and masters commanding, respectively, of sloops and vessels of war, and commanders under captains of rated ships, shall share together, in whatever order of combination, the one-tenth shall be so divided into parts for a graduated apportionment as to provide for the captain receiving six parts, each commander of a sloop or commander under the captain in a rated ship, three parts, and each lieutenant commanding, staff commander commanding, or master commanding, or other officer commanding a small vessel of war, two parts, which parts hereby direct shall be the proportion in which they respectively share; commanders of the second class, and field officers of marines or of land forces serving as marines, doing duty as field officers, above the rank of major, to share as captains; and field officers of marines or of land forces serving as marines, and doing duty in the rank of major, to share as commanders of sloops.

And We further direct, that after provision shall have been made for the flag share (if any), and the portion of the commanding officer or officers as aforesaid above specified, the remainder of the net proceeds shall be distributed in ten classes, so that each officer, seaman, or boy composing the rest of the complements of Our ships, sloops, and vessels of war, and actually on board at the time of any such capture, seizure, &c., as aforesaid, shall be in person present and assisting shall receive shares according to his class, as set forth in the following table:

GOD SAVE THE QUEEN.

Admiralty, 11th October, 1866.

PROCEEDINGS IN VICE-ADMIRALTY COURTS ABROAD.

Her Majesty has been pleased, by Her Order in Council, of the 9th September, 1865, to establish the following Rules touching the practice to be observed in Vice-Admiralty Courts abroad in Proceedings instituted on behalf of Her Majesty's Ships; and the Lords Commissioners of the Admiralty desire to point out to Commanding Officers that the Accountant-General of the Navy will not, after the 1st January, 1866, pay costs incurred in such Courts, Her Majesty's Order in Council of the 22nd October, 1859, being now repealed:—

1. Whenever any proceeding has been instituted in any Vice-Admiralty Court within Her Majesty's dominions, by or on behalf of any of Her Majesty's Ships, for or in respect of any of the matters enumerated in the 12th Section of the Naval Agency and Distribution Act, 1864, the Proctor who shall have conducted such proceeding on behalf of Her Majesty's Ship shall, on the termination of the suit, submit his Bill of Costs for taxation, and the Court shall thereupon tax the same as between Proctor and Client.

2. If in any such proceeding any proceeds have been realized and are remaining in Court, the Court may order the amount at which the Bill of Costs has been taxed to be paid thereout, and the balance of the proceeds, if any, shall thereupon be paid to the Senior Commissariat Officer in the colony, to the end that the same may forthwith be remitted to this country.

3. If there are not any proceeds, or if the proceeds are insufficient to pay the costs, the Commanding Officer shall either himself or through the Agent of the Ship make provision for the payment of any costs that may be due in respect of any such proceeding as may have been instituted in the Court.

4. The Registrar of the Vice-Admiralty Court shall, as soon as he has taxed the Bill of Costs, and whether the amount thereof has or has not been paid out of the proceeds, forward the same to the Registrar of the High Court of Admiralty of England, together with a Certificate, signed by himself, stating the amount of the proceeds, if any, the payments thereout, and the balance which has been paid to the Commissariat Officer.

5. The Agent for the Ship shall, when the proceeds and bounties have been paid to the Naval Prize Account, leave with the Registrar of the High Court of Admiralty of England his account for taxation, and may include therein any charges that may have been paid by the Commanding Officer or by himself, and the Registrar may direct the amount at which he shall have taxed the said account to be paid out of the proceeds and bounties standing in the Naval Prize Account to the credit of the Prize.

6. The Registrar of each Vice-Admiralty Court shall, within a month after the termination of each quarter, send to the Registrar of the High Court of Admiralty of England a Return, signed by himself, in the form marked No. 1 hereto, of all Prizes in respect of which any proceedings have been taken in such Vice-Admiralty Court during that quarter.

7. These Regulations shall come into operation on the 1st day of January, 1866.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS by the Naval Agency and Distribution Act, 1864, it is enacted (among other things) that the several shares of any money in the several cases in the said Act enumerated distributable among the officers and crew of any of Her Majesty's ships-of-war shall be paid to the persons entitled thereto, in such manner and subject and according to such restrictions, conditions, and provisions as might from time to time be directed by Order in Council:

Admiralty, 14th July, 1866.

(CAPTURE OF VESSELS ENGAGED IN SLAVE TRADE, &c.—EXPENSES INCURRED IN PROSECUTING.)

My Lords Commissioners of the Admiralty having had under their consideration the difficulty, which has been in some instances experienced by the Commanding Officers of Her Majesty's Ships, in meeting the legal expenses, necessarily attending the prosecution, before Courts of Vice-Admiralty and Mixed Commission, of Vessels captured by them on suspicion of being engaged in the Slave Trade or in Piracy, their Lordships are pleased to authorise the temporary application of Public Money, in payment of these expenses, under the following conditions:—In the event of the Commanding Officer of one of Her Majesty's Ships being unable to pay, from his own resources, the legal expenses of prosecuting a Ship or Vessel, captured under the circumstances stated above, he will be at liberty to demand from the Paymaster of his Ship an advance of Public Money for the purpose. The amount of such advance, which must not exceed 100*l.*, will be placed as a charge against the pay of such Commanding Officer.

It is desirable that the approval of the Commander-in-Chief, or Senior Officer on the Station, should be obtained, before such application of Public Money; but should the delay necessary to obtain such approval be in any case inconvenient, the advance may be made on the sole authority of the Commanding Officer of the Ship; the case being afterwards reported to the Commander-in-Chief or Senior Officer.

By Command of their Lordships,
W. G. ROMAINE.

REGULATIONS ESTABLISHED BY THE LORDS COMMISSIONERS OF THE ADMIRALTY,

For the Admission of Boys to the Royal Hospital School at Greenwich.

The school consists of 800 boys, the sons of commissioned officers, warrant officers, engineers, assistant engineers, petty officers, and seamen, and of non-commissioned officers and privates of marines, who have served or are now serving in the Royal Navy; of men who have served or are now serving in the coast guard; of officers or seamen employed in any way to serve Her Majesty; or of seafaring persons.

With the exception of the right of presentation enjoyed by Lloyd's Patriotic Fund Committee, all claims for admission to the school will be judged of by a Committee of Selection appointed by their Lordships, in accordance with the under-mentioned scale.

1st Class.—(1.) Orphans, both parents dead.

(2.) Sons of fathers killed, drowned, or deceased in Her Majesty's service, or while employed by Her Majesty on board a merchant ship, or in action with an enemy, pirate, or rebel.

(3.) Those whose fathers have been wounded or maimed in Her Majesty's Service.

2nd Class.—Sons of engineers, assistant engineers, and warrant officers not included in the before-mentioned class.

3rd Class.—(1.) Those whose fathers are serving, and whose mothers are dead, according to rating and service of father.

(2.) Sons of pensioners, according to class, not already included. Sons of out-pensioners, and sons of seamen and marines now serving.

4th Class.—(1.) Sons of seamen registered in any way to serve Her Majesty.

(2.) Sons of seafaring persons whose claims will be judged of by the Committee of Selection.

The sons of commissioned officers are admissible with the sons of seamen, and their claims for admission considered by the Committee of Selection under the same conditions.

At the request of the parents or guardians of candidates for admission, a "Form of Application" will be sent to them by the Captain Superintendent, Greenwich Hospital; which, when properly filled up, must be returned to him as directed, with the two following certificates:—

1. A certificate of the marriage of the parents; or, if not attainable, other satisfactory proof thereof.
2. Register of the child's birth.

A certificate of the father's servitude at sea upon which the claim for admission is founded, whether in the Royal Navy or merchant service, will be obtained by the proper officer from the Admiralty or from the Registrar-General of Seamen; and due notice will be given without further application, should the child be selected for admission into the school.

Boys eligible for admission must be between ten and eleven years of age, physically fit for sea-service, be able to read an easy sentence, and possess a knowledge of the first four rules in arithmetic.

Boys will be discharged from the school on the first day of the month succeeding that in which they shall attain the age of fourteen years and six months, unless either they volunteer, with the consent of their parents, to enter the Royal Navy,—in which case, if they are physically fit for the service, and of good character, they will be entered as boys on board Her Majesty's Ship 'Excellent,'—or unless they succeed by their talents, industry, and good conduct, in obtaining admission into the "Nautical Division" by competitive examination.

The "Nautical Division" will consist of eighty boys, who will be discharged on the first day of January, April, July, or October, after they shall have attained the age of fifteen years and six months; special cases in which boys are recommended by the Principal of the school for a further time, not exceeding six months, will be taken into consideration by the Lords Commissioners of the Admiralty.

The education of the boys will comprise, in the "Lower Division," the usual elements of a sound English education, geography, English history and grammar, French, and drawing.

In the Nautical Division, in addition to the above, trigonometry, navigation, and nautical astronomy will be taught.

The practical instruction for the out-of-school hours will consist of knotting and splicing, a knowledge of the parts of a ship and rigging, and the great gun and cutlass exercise.

Children of Roman Catholics, or of Protestants not being members of the Church of England, will not be required to learn the Church catechism, and will be allowed to attend convenient places of public worship, in accordance with the religious persuasion of their fathers, provided application be made to that effect at the time of admission, by the father, if living; and if the father be dead at the time of a child's admission, then the marriage certificate or baptismal register of such child, according to the rites and ceremonies of any established religious community, of a date previous to the said father's death, will be received as evidence of the religious tenets of the father; that is, provided no authentic document written by the deceased father be produced, expressing a contrary wish or direction, as regards the religious instruction of such child.

ENTRY AND DISCHARGES OF SEAMEN AND MARINES.

CIRCULAR No. 31.—N.

Admiralty, 23rd August, 1866.

(DIRECTIONS FOR THE EXAMINATION OF OFFICERS, MEN, AND BOYS FOR ADMISSION INTO THE ROYAL NAVY AND MARINES.)

My Lords Commissioners of the Admiralty are pleased to issue the following regulations for the Medical Examination of Officers, Men, and Boys for the Royal Navy and Marines, in lieu of those contained in article 34, pages 397 and 398 of the Queen's Regulations and Admiralty Instructions, and in article 14 of the Instructions to Surgeons and Agents of Sick Quarters.

When a Medical Officer is directed to examine any person for admission into the Naval Service, or into the Royal Marines, he is first to observe whether he has any marks of wounds, or injuries of the bones of the head, whether his eyesight or hearing is defective, whether he is deformed, lame, or has an impediment of speech, or weakness of intellect, and should any of these or other mental or physical defects exist to such an extent as might, in the opinion of the Examining Officer, disqualify him for the efficient discharge of his duty, he is at once to report him unfit without carrying the examination further.

On the contrary, should the person present no outward appearance of unfitness, he is to be directed to divest himself entirely of his clothes; and the Medical Officer is then to satisfy himself, by a careful inspection of the entire cutaneous surface, that it is not only in itself free from disease, but that it shows no evidence or sign of the existence of any internal complaint or constitutional derangement.

He is to ascertain that there is a proper and just proportion between the different members of the body, that there is no spinal weakness or deformity, that the limbs are of equal length, strong, and well developed, that there are no visible marks of previous fracture, depression, or disease of the bones of the head, nor adherent cicatrices, that the eyes are clear, intelligent, and expressive of health, the eyesight good, and the hearing perfect in both ears, that there is no defect or deformity of the bones of the nose, and that the teeth are good, strong, and sufficient in number.

The chest should be carefully examined in reference to its form and capacity, and the condition of the heart and lungs ascertained by percussion and auscultation.

The abdomen is next to be examined for the purpose of detecting any enlargement or disease of the contained viscera, or predisposition to hernia from whatever cause.

The Examining Officer shall next direct the person to extend, and slowly raise his arms until the hands meet above his head; he is then to perform the various movements of the shoulder, elbow, and wrist joints; to flex and extend, supinate and pronate the forearm; to flex and extend the fingers and thumbs; and, by holding on by a rope, show that he can bear the weight of the body clear of the ground without any difficulty, with each hand, for at least five seconds.

In the examination of the lower extremities, the person is to be made to walk backwards and forwards, to hop first on one foot, and then on the other, to flex and extend the limbs and feet to show that the movements of the various joints can be freely and rapidly performed.

Persons of whatever class, or age, who are found to be labouring under any of the undermentioned physical defects or infirmities, are to be considered unfit for Her Majesty's Service:—

1. A weak constitution arising from imperfect development, or weakness of the physical powers of the body, or from chronic disease, constitutional depravity, wounds or injuries.

2. Chronic eruptions on the skin or scalp; syphilis primary or constitutional; gonorrhœa; extensive marks of cupping, leeching, or blistering, or of issues. Marks of punishment are to be reported to the Commanding Officer.

3. Malformation of the head, with a dry, harsh, diseased state of the hair of the scalp, fracture or depression of the bones of the skull, disordered intellect or imbecility, epilepsy, paralysis, or impediment of speech.

4. Blindness or defective vision in one or both eyes, fistula lachrymalis, and ptosis.

5. Impaired hearing, or discharge from one or both ears, disease or thickening of the lining membrane of the external ear.

6. Disease of the bones of the nose or of its cartilages, or polypus.

7. Disease of the throat, palate, or tonsils; unnatural and offensive breath from constitutional causes, unhealthy or scrofulous disease of the glands of the throat or neck, extensive cicatrices, whether from scrofulous sores or suicidal wounds.

8. Functional or organic disease of the heart or blood-vessels, deformity or contraction of the chest, flattening of the sub-clavicular regions, phthisis, hæmoptysis, bronchitis, dyspnœa, aphonia, chronic cough, or other symptoms of tubercular exudation into the pulmonary tissues.

10. Swelling or distension of the abdomen, undue fatty disease or enlargement of the liver, spleen, or kidneys. Rupture, weakness or distention of the abdominal rings, stricture of the urethra, incontinence of urine or urinary fistula.

11. The non descent of one or both testicles, hydrocele, and sarcocele.

12. Fistula or fissure of the anus, hæmorrhoids or carbuncles, or prolapsus of the rectum.

13. Paralysis, weakness, impaired motion, or contraction of the upper or lower extremities from whatever cause, aneurism, a varicose state of the veins, especially of the legs. Chalky deposits, bunions, distortion, deformity, or malposition of the fingers or toes; nodes; club-footedness.

14. Distortion of the spine, of the bones of the chest or pelvis, from injury or constitutional defect.

No person is to be admitted into Her Majesty's Service who he has had smallpox, or has been vaccinated, and the vaccine cicatrix not be considered satisfactory, he is to be reported fit only on condition that he immediately submit to the operation.

As it is clearly possible that some of the preceding defects or disabilities may exist in a very minor degree, the examining Officers must necessarily, in such cases, be guided by their own judgment as to whether they are of such importance as entirely to disqualify a man or lad for the Service; observing, however, that no person is to be considered fit unless he is likely to continue efficient and serviceable in any climate, and under all the vicissitudes of the service for a period of not less than ten years.

All persons examined for entry into the Naval Service or Marines by a Medical Officer, are to be entered on a list in the Medical Journal of the ship, in the Naval Hospitals, from Hospitals and Marine Infirmaries, and in the Monthly Returns rendered by Surgeons and Agents; and no man or boy who has been reported fit for the service by a Medical Officer of the Royal Navy or of the Royal Marines is to be again subjected to examination, unless he remains in continuous service, or there is reason to believe that he is labouring under some disability contracted or manifested since his entry,—or, on going on foreign service.

By command of their Lordships,

THOMAS G. FRANCIS.

1. All Men entering as Master-at-Arms or Ship's Corporals in future to enter as Continuous Service Men. They must be not less than 5 ft. 7 ins. in height, and no Man to be entered in either rating unless he signs a Continuous Service Engagement.

This rule, however, is not to be made compulsory on Men at present serving.

2. No Man is to be entered either as Master-at-Arms or Ship's Corporal of the 1st Class who has not served as such for at least two years.

3. The rule laid down in Circular No. 38 of the 6th October, 1864, which allows Non-commissioned Officers of Marines, of high character, to be promoted after six months service as Ship's Corporal, is to apply also to Petty Officers—but Men can only be promoted when vacancies occur—and promotion to the Rank of Master-at-Arms can only be made by the Authority of the Commander-in-Chief of the Station or Officer.

4. No Man who has served in the Navy or Marines can be entered in the Police Force, unless he produces certificates of "very good" character for the last three years of his service,—and if he has been more than twelve months out of the Service, his character, in the interval, to be satisfactorily explained.

PUNISHMENT OF TROOPS EMBARKED IN H.M.S. SHIPS.

At the Court at Windsor,
the 22nd day of February, 1870.

Present:

The QUEEN'S most excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 16th February, 1870, in the words following, viz.:—

"Whereas it is provided by Section 88 of an Act passed in the 29th year of Your Majesty's reign, entitled 'An Act to make provision for the Discipline of the Navy,' as follows:—

"'Her Majesty's Land Forces, when embarked on board any of Her Majesty's Ships, shall be subject to the provisions of this Act, to such extent and under such regulations as Her Majesty, Her Heirs and Successors, by any Order or Orders in Council, shall at any time or times direct.'

"And whereas we are of opinion that it would conduce to the better maintenance of order and discipline on board Your Majesty's Ships in which Your Majesty's Land Forces may be embarked if the following Regulations were established, namely:—

"1. Whenever any of Your Majesty's Land Forces, or any Royal Marines formed into a separate Corps or Battalion, shall be embarked as passengers in any of Your Majesty's Ships, the Officers and Soldiers shall, from the time of embarkation, strictly observe the laws and regulations established for the government and discipline of Your Majesty's Navy, and shall for these purposes be under the command of the Senior Officer of the Ship as well as of the Superior Officer of the Squadron, if any, to which such Ship may belong.

"2. If any Officer or Soldier shall commit any act against the good order and discipline of the Ship in which he is embarked, the Commanding Officer of the Ship may, by his own authority and without reference to any other person, cause him to be put under arrest, or to be confined as a close prisoner, and shall thereupon, if he thinks the case requires it, transmit a report, in writing, of the charges against such Officer or Soldier to his Superior Officer, or if there be no Senior Officer present to the Commander-in-Chief of Land Forces, in order that the offender may be brought before a Military Court-Martial.

"3. If any Officer or Soldier commits any act which, in the opinion of the Commanding Officer of Troops, requires a trial by Court-Martial, such Commanding Officer shall cause him to be disembarked on the first opportunity, or to be removed to a transport ship, and be there proceeded against according to the Military Law.

"No Military Court-Martial shall be held on board any of Your Majesty's Ships in commission.

"4. If any private Soldier shall commit any act against the good order and discipline of the Ship, the Commanding Officer of the Ship shall, if he thinks the case requires the summary infliction of punishment, apply for the concurrence, in writing, of the Commanding Officer of the Troops, as to the nature and amount of such punishment, if any, to be inflicted, and upon obtaining such concurrence in writing shall, by warrant under his hand, sentence the offender to suffer such punishment accordingly.

"5. The sentence shall in all respects conform to the provisions contained in the Naval Discipline Act, 1866, relating to summary punishments awarded by Commanding Officers.

"6. If the Commanding Officer of the Troops shall decline to give his concurrence as aforesaid, he shall state his reasons in writing, and deliver the same to the Commanding Officer of the Ship.

"Your Majesty's Secretary of State for War, and His Royal Highness the Field Marshal Commanding-in-Chief, have signified their concurrence in these Regulations."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

And if in any such case there is a Child of the Seamen or Marine allotting unprovided for, the Admiralty may revoke the authority for payment to the Wife, and make out a new authority in favour of a proper person, recommended for the purpose, resident in the parish where the Child is, that such person may apply to the maintenance of the Child the money allotted.

Where a Wife being allottee becomes of unsound mind the Admiralty may stop further payment under the allotment, revoke the authority for payment to the Wife, and make out a new authority in favour of a proper person recommended for the purpose; that such person may apply for the benefit of the Wife and the Children (if any) of the Seaman or Marine allotting, the money allotted.

A person against whose name the letter "R" is placed in the Books of the Ship to which he belongs, as having deserted, shall not, while the "R" so remains, be entitled to receive his Pay; but the Admiralty may, in any case they think fit, order the "R" to be removed, and authorize payment of the Pay accrued.

Medals and Decorations.

Medals and Decorations belonging to Officers, Seamen or Marines dying on service shall be preserved for delivery to their representatives, unless representation be taken out by a creditor as such, in which case any such Medal or Decoration shall be disposed of as if it had not been issued to the deceased.

THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-Commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long services or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalised themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

Firstly. It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll, bearing the inscription, "For Valour."

Secondly. It is ordained, that the Cross shall be suspended from the left breast by a blue riband for the Navy and by a red riband for the Army.

Thirdly. It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly. It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly. It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly. It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly. It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly. It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly. It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly. It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines, not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all

are equally brave and distinguished, and that no special selection can be made by them; then, in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration, and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-commissioned Officers engaged; and two Seamen or Private Soldiers, or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

Fourteenthly. It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-Commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a-year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-Commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly. In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or he be accused of any such offence and doth not after reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the register of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons who may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, this twenty-ninth of January, in the nineteenth year of Our reign, and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

PANMURE.

THE ALBERT MEDAL.

WARRANT REVOKING a WARRANT dated the 7th March, 1856, Instituting A NEW DECORATION to be styled "THE ALBERT MEDAL," and instituting in lieu thereof TWO NEW DECORATIONS, to be styled respectively "THE ALBERT MEDAL OF THE FIRST CLASS," and "THE ALBERT MEDAL OF THE SECOND CLASS."

VICTORIA R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS a Warrant was given under our Royal Sign Manual, bearing date the 7th day of March, 1856, in the 29th year of Our reign, intituled "a Warrant instituting a new Decoration, "to be styled 'The Albert Medal,'" and such Warrant was in the terms following, that is to say,—

VICTORIA R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS, We, taking into Our Royal consideration that great loss of life is sustained by reason of shipwrecks and other perils of the sea, and taking also into consideration the many daring and heroic actions performed by mariners and others to prevent such loss, and to save the lives of those who are in danger of perishing by reason of wrecks and perils of the sea; and taking also into consideration the expediency of distinguishing such efforts by some mark of Our Royal favour: Now, for the purpose of attaining an end so desirable as that of rewarding such actions as aforesaid, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a new Decoration, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

First.—It is ordained that the distinction shall be called "The Albert Medal," and shall consist of a gold [illegible] badge or decoration, enamelled in dark blue, with a [illegible] gram composed of the letters V. and A., interlaced with an anchor erect, in gold, surrounded with a garter in [illegible] inscribed in raised letters of gold "For Gallantry in [illegible] Life at Sea," and surmounted by a representation of the crown of His Royal Highness the lamented Prince Consort and suspended from a dark blue riband of five-eighths of an inch in width, with two white longitudinal stripes.

Secondly.—It is ordained that the Medal shall be suspended from the left breast.

Thirdly.—It is ordained that the names of those on whom We may be pleased to confer the decoration shall be published in the 'London Gazette,' and a registry shall be kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that any one who, after he has received the medal, again performs an act which, if he had not received such medal, would have entitled him to the same further act shall be recorded by a bar attached to the ribband by which the Medal is suspended, and for every additional act an additional bar may be added.

Fifthly.—It is ordained, that the Medal shall not be awarded to those who, after the date of this Warrant, have, in saving or endeavouring to save the lives of men from shipwreck or other peril of the sea, endangered their own lives; and that such award shall be made on the recommendation to Us by the President of the Board of Trade.

Sixthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained that if any person on whom such distinction is conferred be guilty of any crime or dishonourable conduct which in Our judgment disqualifies him to wear the said Decoration, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited, and every person to whom the said Medal is given or sold before receiving the same, enters into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared that

We, Our heirs and successors, shall be the sole judges of the circumstances demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration.

And WHEREAS it has been represented to Us, that mariners and others perform many acts in preventing loss of life from shipwreck and other perils of the sea, that are not of a character sufficiently daring and heroic to bring them under Our Warrant above cited, and are yet worthy of some distinguishing mark of Our Royal favour. And whereas, We, taking into Our consideration that it is expedient to reward such mariners and others who perform heroic actions to prevent loss of life from shipwreck and other perils of the sea, are pleased in place of the Decoration created by Our Warrant of the 7th March, 1866, to institute and create two Decorations, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

First.—It is ordained, that one of the said two Decorations shall be styled "The Albert Medal of the First Class," and shall consist of a gold oval-shaped badge or decoration, enamelled in dark blue, with a monogram composed of the letters V. and A., interlaced with an anchor erect in gold, surrounded with a garter in bronze, inscribed in raised letters of gold, "For Gallantry in Saving Life at Sea," and surmounted by a representation of the crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of an inch and three-eighths in width, with four white longitudinal stripes.

Secondly.—It is ordained that the other of the two distinctions shall be styled "The Albert Medal of the Second Class," and shall consist of the like shaped enamelled badge, save and except in this class it shall be entirely worked in bronze, instead of gold and bronze, and suspended from a dark blue riband of five-eighths of an inch in width, with two white longitudinal stripes.

It is ordained that each Medal shall be suspended from the left breast.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer either of these decorations shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that any one who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

Fifthly.—It is ordained, that the Medals shall only be awarded to those who, after the date of the said Warrant of the 7th March, 1866, have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

Sixthly.—It is ordained, that the Albert Medal of the First Class shall be confined to cases of extreme and heroic daring, and that the Albert Medal of the Second Class shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve the Albert Medal of the First Class.

Seventhly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decorations, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration.

Given at Our Court at *St. James's*, this twelfth day of *April*, one thousand eight hundred and sixty-seven, in the thirtieth year of Our reign.

By Her Majesty's command,

S. H. WALPOLE.

NAVAL MEDALS.

Admiralty, 7th June, 1848.

The Lords Commissioners of the Admiralty having referred to a Committee of Flag Officers the consideration of the naval actions for which medals should be granted, in accordance with the spirit of the Queen's most gracious intentions, as signified in the Gazette of the 4th June, 1847; and Her Majesty having been pleased to approve of several of the suggestions submitted by the said Committee, the following notice is issued for the information and guidance of those who may have claims to this honourable distinction:—

1st. The rule, directed by Her Majesty to be observed in extending this mark of Her royal favour, is so comprehensive as to bring within its scope all Officers, seamen, and marines (and soldiers who served as marines) who were present in any action which at the time received the special approbation of the Lords Commissioners of the Admiralty.

2nd. From the commencement of the war in 1793, it was the practice of the Board of Admiralty to notice battles of conspicuous merit by the promotion of the First Lieutenant of the ship or ships, or the promotion of the Commander, if the action was fought by a small vessel; and, conformably with this practice, it is Her Majesty's pleasure, that persons of every rank, who were present in such actions, during the wars commencing in 1793, and ending in 1815, and now living, shall receive a medal commemorative of their meritorious services; and they are required forthwith to state their claims for each action in which they may have been engaged, according to the form (A) hereunto annexed, and transmit the same to the Secretary of the Committee of Flag Officers, Admiralty, London.

3rd. Her Majesty has also been pleased to take into Her gracious consideration the many instances of gallantry displayed by Officers, seamen, and marines in boat actions during the same period, and to direct that such services, if distinguished by the promotion of the Officer conducting the enterprise, shall entitle those who were present, and now living, to a medal; provided the answers, to be given in the form (B), shall enable the Committee to ascertain that the claim is well founded. But the Officers, seamen, and marines of the ships, from which the boats were detached, are not to participate in a distinction which only properly belongs to those personally engaged.

4th. It is also ordered, that service in the frigates and smaller vessels, which were actually present in any of the great fleet actions mentioned in the Gazette of the 4th June, 1847, for which the Captains of the ships of the line received medals, shall entitle those now surviving of the crews of such vessels to a medal.

And all surviving Officers, seamen, and marines belonging to ships actually co-operating and present during the siege and capture of

Martinique in 1809,
Guadaloupe in 1810,
Java in 1811,
St. Sebastian in 1813,

for which the Army had medals, will be entitled to similar distinctions, if their return, according to form (A), will enable the Committee to trace the presence and co-operation of the ships to which the applicants belonged.

And 5th. Her Majesty, having taken into Her most gracious consideration the circumstance that medals have been granted by Her Majesty for services rendered by the Navy, not only in the wars commencing in 1793, and ending in 1815, but also for services rendered in the late war in China, whilst the intermediate general actions, viz.

The attack upon Algiers in 1816,
The battle of Navarino in 1827, and
The operations on the coast of Syria in 1840,

are unmarked by any such distinction, has been pleased to direct, that the surviving Officers, seamen, and marines engaged in those actions, shall also receive a similar mark of their Sovereign's gracious recollection of their services, as soon of Her desire to record the same; and all such Officers, seamen, and marines, are, therefore, hereby called upon to transmit their claims to such distinction according to the annexed form A, and addressed to the Secretary of the Committee of Flag Officers, Admiralty, London.

The following Flag Officers have been directed to assemble, as a committee for the investigation and adjudication of all claims sent in according to the prescribed forms, viz.:

Admiral Sir T. Byam Martin, G.C.B.
Admiral Sir W. Hall Gage, G.C.H.
Admiral the Hon. Sir Thomas Bladen Capel, K.C.B.
Vice-Admiral Sir James A. Gordon, K.C.B.

By command of the Lords Commissioners of the Admiralty,
B. S. Wood.

The Notice published in the Gazette of 1st June, 1847, is herewith repeated.

Admiralty, 1st June, 1847.

Her Majesty having been graciously pleased to command that a medal should be struck to record the services of Her Fleets and Armies, during the wars commencing in 1793 and ending in 1815, and that one should be conferred on every Officer, non-commissioned officer, petty officer, seaman, and marine, who was present in any action, naval or military, to commemorate which medals have been struck by command of Her Majesty's Royal Predecessors, and distributed to Superior Officers, according to rank of the Service at that time in force:

All Officers, petty officers, seamen, and marines, who consider that they are entitled to receive this mark of their Sovereign's gracious recollection of their services, and of which they desire to record the same, are to send in writing, the grounds of their claims, addressed to the Secretary of the Admiralty, Whitehall, London, specifying for what action, and at what period of time, the claim is preferred, the names of the persons or the titles of the documents on which it can be established.

A Board of Officers will be appointed to take into consideration the facts stated in these applications, and to report upon the same to the Lords Commissioners of the Admiralty, for the information of Her Majesty, so as to enable those commanded by Her Majesty to deliver to the persons the medals accordingly.

The names of all those, who may apply for the naval medal, will be classed alphabetically, and to each name will be appended the actions at which the claimant may have been present, proof of which must be given to the entire satisfaction of the Board.

The occasions for which medals have been granted by the Sovereign are specified below, for general information and guidance.

By command of the Lords Commissioners of the Admiralty,

H. G. Ward.

NAVAL RETIREMENTS.

REAR-ADMIRALS AND CAPTAINS.

The plan of Retirement, published in the London Gazette of 1st Sept., 1846 and carried out by Her Majesty's Order in Council of 24th April, 1847, provides:—

1st. That the rank of Retired Rear-Admiral shall be given, by Seniority, to such applicants from the 14*s.* 6*d.* Half-pay List as may be willing to accept it, with the pay of 1*l.* 5*s.* per diem, and the corresponding pension to their widows, under the usual restrictions.

2nd. An addition of 7*s.* 6*d.* per day to be given to applicants, by Seniority, from the 12*s.* 6*d.* and 10*s.* 6*d.* Half-pay Lists, being Captains of not less than 20 years' standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List, and (under Order in Council of 17 May, 1858) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to be entitled to a pension of 110*l.* per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 1*l.* List to be filled up, in turn of Seniority, by Officers then accepting the 18*s.* per diem; but no new admissions to the 1*l.* 5*s.* List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 1*l.* 5*s.* per diem, and the remaining 75 1*l.* per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

RETIREMENT UNDER THE ORDER IN COUNCIL OF 25TH JUNE, 1851.

Her Majesty, by Her Order in Council of June 25th, 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice Admirals, and 51 Rear Admirals: this reduction will be effected as follows, viz.—

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June, 1827. These Officers will receive, as at present, the Half-pay of Rear Admirals, but will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150*l.* each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service; such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will *not* be held in addition to the Good Service Pension.

FURTHER RETIREMENT OF FLAG OFFICERS UNDER THE ORDER, IN COUNCIL OF 24TH MARCH, 1866.

1. Compulsory Retirement to be extended to all the Executive Lists.
2. Admirals to be retired on attaining 70 years of age or when physically unfit for service.

Digitized by Google

3. Vice-Admirals to be retired on attaining 68 years of age, or when physically unfit for service.

4. Rear-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.

5. Flag Officers at present on the Active List, who may be retired under these regulations, will retain all the privileges of rising in rank and pay to which they are now entitled; but no Flag Officer who has not hoisted his flag will be considered eligible for the appointments of Vice and Rear Admirals of the United Kingdom, or for promotion to the rank of Admiral of the Fleet.

6. The Active Flag List to be reduced to 85.

Admirals of the Fleet and Admirals (But not to be more than three Admirals of the Fleet at one time)	. . . . .	21
Vice-Admirals	. . . . .	22
Rear-Admirals	. . . . .	42
		85

This reduction to be made gradually, by only filling up two out of every three vacancies caused by the removal of Flag Officers who accept Greenwich Pensions, and by retirements from age, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half Pay in receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers at present on the Active List, who have hoisted their Flags, or been employed at the Admiralty since their promotion to Flag Rank, are to be allowed to retain their places on the Active List, if they should prefer it, but they may be placed on the Retired List at their own request, with the consent of the Admiralty. Officers coming on the Flag List after this date will be subject to compulsory retirement at the age specified above, whether they have served or not.

RETIREMENT OF 1870, AS RELATES TO FLAG-OFFICERS.

1. Admirals of the Fleet	To be retired at the age of 70.	To be retired, irrespective of age, at their option, on physical incapacity.
Admirals and Vice-Admirals.	To be retired at the age of 65; or at any age so soon as 10 years have elapsed since their flag was hauled down, or (if they have not hoisted their flag) since their service as Captain ceased.	
Rear-Admirals	To be retired at the age of 60; or at any age so soon as 10 years have elapsed since their flag was hauled down, or (if they have not hoisted their flag) since their service as Captain ceased.	

2. Admirals and Vice-Admirals to have the option of retiring at the age of 60, and Rear-Admirals at the age of 55.

3. The Active Flag List to be reduced to 50:—

Admirals of the Fleet	3
Admirals	7
Vice-Admirals	15
Rear-Admirals	25

4. Admirals of the Fleet to receive on retirement the half-pay of their rank, and to be styled Retired Admirals of the Fleet.

5. Admirals, Vice-Admirals, and Rear-Admirals to be allowed on retirement to receive, at their option, either the half-pay of the rank from which they retire, or the retired pay provided by these Regulations.

6. Admirals of the Fleet to be selected by Her Majesty from the Admirals on the

Active List who have served as Commander-in-Chief, or who have commanded at sea as Flag-Officer for 2 years.

7. Vice-Admirals to rise to the rank and title of Admiral on the Active List according to seniority.

8. Rear-Admirals not to be eligible for promotion to the rank of Vice-Admiral on the Active List until they have completed one year's Sea Service, or its equivalent in Harbour Service as Flag Officer; but such Officers as arrive at their turn for promotion, without having completed the qualifying service, and not having attained the age for retirement, to remain on the Active List until qualified for promotion, or until retired; if promoted to take rank according to former seniority.

9. Vice-Admirals retired from that rank to be entitled to rise by seniority to the rank of Retired Admiral.

10. Rear-Admirals retired from that rank to be entitled to rise by seniority to the rank of Retired Vice-Admiral, if, before retirement, they had served the time to qualify them for promotion.

RETIREMENT OF 1851—*continued.*

CAPTAINS.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reduction shall be effected as follows, viz.—

1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains who rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captains' List for ten years, to be eligible for retirement. The Retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

While my Lords have recommended the abandonment of the system of brevet promotion in future, they are nevertheless desirous of meeting the claims of old officers who have served long and well, and who seek their promotion rather as a reward for past services, than in the expectation of further employment. To meet these claims equitably, and at the same time not to fill the Active List with Officers who cannot long continue fit for service, their Lordships will promote by selection 50 Commanders to the rank of Captains. These Officers will be placed on reserved Half-pay. Of these 50, 20 will be selected in the present year, and 10 in each succeeding year, until the number reaches 50, when the vacancies only will be filled up. Further promotion to this List is abolished by Order in Council of 1st August, 1860; but Commanders who have been promoted to the Reserved List of Captains under the Orders in Council of 25th June, 1851, and 30th January, 1856, will be entitled to increase of Pay, on the same scale as Commanders retired with the Rank of Captain under that Order in Council (see below), according to their length of service.)

FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 1st AUGUST, 1860.

All Captains who have attained, or shall hereafter attain, the age of 60, without having served in their present Rank, to be placed on a Retired List, and receive Retired Pay as follows:—

Digitized by Google

If on 10*s.* 6*d.* Half-pay List when retired . . . . . 18*s.* per diem.
If on 12*s.* 6*d.* . . . . . 20*s.* ,, ,,
If on 14*s.* 6*d.* . . . . . 20*s.* ,, ,,

Such Officers to assume the Rank and Title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List.

Captains who may arrive at the head of the List, without having served in that Rank, to be placed on the List of Reserved Flag Officers, with the pay of 20*s.* per diem.

Captains now on the 14*s.* 6*d.* Half-pay List not to be affected by these arrangements unless by their own desire.

FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 9TH JULY, 1864.

T. 1. The Active List of Captains to be reduced from 350 to 300.

2. The existing system of placing on a Retired List all Captains who may from time to time attain the age of sixty, without having served in their present rank, to be extended to Captains who may attain the age of sixty and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay, as follows:—

If on the 10*s.* 6*d.* Half-pay List when retired, 18*s.* per diem.
If on the 12*s.* 6*d.* Half-pay List when retired, 20*s.* per diem.
If on the 14*s.* 6*d.* Half-pay List when retired, 20*s.* per diem.

Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by seniority had they remained on the Active List, and then to receive Retired Pay at the rate of 25*s.* per diem, subject, however, to the proviso contained in paragraph 8.

3. The above system of retirement to be extended to Captains who may have attained the age of fifty-five, provided they be willing and desirous to accept the same, subject to the proviso contained in paragraph 8. When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause who has not been five years on that List.

4. Captains who shall be found physically unfit for service may, at the discretion of the Board of Admiralty, be allowed to retire, irrespective of age, at the several rates of 18*s.* or 20*s.* a-day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain, a combined period of fifteen years, and, if less than that period of service, at the rate of 16*s.* a-day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in paragraph 8.

5. A limited number of Captains who may have attained the age of fifty, and who are not desirous of further employment, to be allowed, at the discretion of the Board of Admiralty, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300, no further retirement of Officers to take place under this clause.

6. Captains who may arrive at their turn for promotion to the Flag List, without having served the time required to qualify them for their Active Flag, to be placed on the List of Reserved Rear-Admirals.

These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August, 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25*s.* a-day, subject, however, to the proviso contained in paragraph 8.

7. The increased rate of 25*s.* per diem Half-pay to be extended to Officers who, under the provisions of the Order in Council of 1st August, 1860, have already attained, or may hereafter attain, the rank of Rear-Admiral on the Retired List, subject to the same proviso. All Officers who are either now, or who may be in future, retired under the provisions of the Order in Council of 1st August, 1860, to be allowed to rise to the higher grades on the Retired Flag List, according to the seniorities which they respectively held on the List of Captains, but without receiving any further increase of Retired Pay or emolument.

8. No Officer who was not on the Active List of Captains previously to the 1st of August, 1860, to be allowed more than the pay of 20*s.* a-day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 24TH MARCH, 1866.

1. Captains to be retired on attaining 60 years of age, or when physically unfit for service, on the terms of the Order in Council of 9th July, 1864. Those at present on the Active List, who, before attaining the age of 60, shall have served the necessary time to qualify them for promotion to the Active Flag List, are to be allowed to retain their places on the Active List, if they should prefer it; but no Captain will be eligible for promotion to the Active Flag List after 60 years of age, or when physically unfit for service.

2. Officers promoted to the rank of Captain after the date authorized by Her Majesty's Order in Council, to be subjected to compulsory retirement on attaining the age of 60, whether they have served or not.

3. Captains of 60 years of age who have served the necessary time to qualify them for promotion to the Active Flag List, and who remain on the Captains' List, until promoted to Rear-Admiral, to be placed on the Retired List; but will be allowed to rise by seniority to the Rank and Pay of Vice-Admiral and Admiral respectively. Captains who have served their time, but who retire voluntarily before reaching the top of the List, will not be entitled to rise to higher pay as Flag Officers than 25*s.* a-day, in accordance with the Order in Council of 9th July, 1864.

4. Captains who have not served their time for Active Flag Rank, and who have been unemployed for ten years, to be retired on the terms of the Order in Council of 9th July, 1864.

5. Captains' List to be reduced gradually to 250, by filling up only two out of every three vacancies caused by age retirements from that List, whether optional or compulsory. Vacancies from all other causes are to be filled up as they occur.

RETIREMENT OF 1870, AS RELATES TO CAPTAINS.

1 To be retired at the age of 55, or at any age if 7 years have elapsed since they last served.

2. To have the option of retiring at the age of 50; and to be retired, irrespective of age, at Our discretion, if found physically unfit to serve.

3. The Active List of Captains to be reduced to 150:—

First Class	50
Second Class	50
Third Class	50

4. Captains to be allowed, on retirement, to receive at their option, either the active half-pay of that rank, or the retired pay provided by these Regulations.
